Ready for Reading Workshop

Ready for Reading- Technology Tools in the Primary Classroom

3-Day Workshop for Teachers Grades Pre-K - K

Teachers spend 3 fast-paced, fun filled days of curriculum and technology integration into the Pre K - 1st grade classroom. Educational software, Internet resources, and digital cameras will all be explored. Instructors will model classroom management strategies and discuss technology management issues. Teachers will leave with the training resources and knowledge that they can immediately apply to enhance learning in their classrooms.

Instructional components include:

- Hands on computer usage
- Exploration of Internet resources
- Internet searching strategies
- Cross Curricular Thematic Units
- Software Review and Instruction
- Digital Camera usage
- Management Strategies

Software Used:

- Web Browser
- KidPix
- MS Word or AppleWorks
- Discis Books
- Kidspiration
